Name: _____ Class: _____ Date: _____

7 Build a Robot Helper

AGES 6 – 11

★ ★ ★ ★ ★

Every home needs a helpful robot! Design one that does a job you find boring or tricky. Add buttons, arms, wheels – anything you like.

THINK ABOUT: tools it carries · how it moves · its face · the job it does

My robot

Label its parts:

1 _____

2 _____

3 _____

4 _____

5 _____

6 _____

OrionKids
Where Every Kid Is a Star

Robot name: _____

What can it do?

_____

_____

★ **STAR CHALLENGE**

Ages 6–8: Draw your robot and label 3 parts.

Ages 9–11: Label all 6 parts and explain how each one works.
